Looks like she has rights already. She's made changes multiple times since June

I know you guys are non-stop Gold King, but need your help.

With Shakeba out, we have not been able to publish our website updates. The last info on there is from July 20, pre-CPP.

Please grant Carly publishing rights to this page:

I'm hoping this is easy to do, but happy to help anyway I can.

Thank you!
